#### Holding On To Your Valued Time slot

Students who are going away on holidays or taking a break, but still want to maintain their time slot, can do so by way of paying a 'holding fee' of \$25.00 per week for your hourly lessons missed, or \$15.00 per week for your half hourly lessons missed.

This is a way of guaranteeing your same time slot for when you get back. However if you do not have a preference to a particular time, Josh may be able to still fit you in but no guarantees.

My fees are below the award rate for Professional Music Tuition
